Fully Describe Your Proposal

Please fully describe your proposal (this should outline all aspects of the development):

The proposal involves subdivision of Block 4 Section 7 Phillip together with design and siting for a staged mixed-use development. This includes subdivision of Block 4 into two land parcels, demolition of existing surface car park and temporary bus interchange, construction of three multi-unit residential buildings providing 200 apartments, a 12-storey office building, a six-storey community hub with civic spaces, offices and rooftop communal areas, and an eight-storey public car park with end-of-trip facilities. The development also provides a neighbourhood park, roadways, retail and non-retail commercial spaces at ground level, multilevel basement parking, overlay of easements, along with extensive site servicing including lighting, landscaping, tree removal, tree planting, and associated works. Offsite works are proposed on Block 5 Section 7 Phillip together with the verge along Callum Street, including landscaping, lighting, and utilities provision. The design is based on the successful completion of a government led design tender process including place design and masterplan brief.

Type of Development

Please outline the type of development or works that are proposed (please select all that apply):

- ☐ New development
- ☐ Demolition
- ☐ Subdivision

The proposed development or land use is for the following, as per the Territory Plan definitions:

Mixed-use (i.e. combined non-residential and residential development)

☐ Combination of all those listed

Is the block located in a future urban area?

Note: Future urban areas are shown as overlays on the Territory Plan map in [ACTmapi](#).

☐ No

Trees

Does the proposal include the removal of any trees?

☐ Yes

*Note: If the development application includes removal of a **protected** tree, you may be required to enter a Canopy Contribution Agreement as a condition of your DA Approval. Please ensure you complete the Canopy Contribution Table provided in the [Tree Management Plan Guidelines](#) as part of your Tree Management Plan.*

How many trees in total are proposed for removal?

36

Does the site contain any protected trees, or does the proposal relate to any part of a declared site – as defined by the Urban Forest Act 2023?

☐ Yes

How many protected trees are proposed for removal?

36

Does the proposal include any works within the tree protection zone of any protected trees? (Including the tree protection zone of trees on neighbouring blocks or public land)

☐ Yes

Note: Protected trees, declared sites, tree protection zones and other terms are defined in the Urban Forest Act 2023. If works are proposed within a tree protection zone, or any protected trees are proposed for removal a Tree Management Plan may be required.

Public land

Does the proposed development relate to public land (e.g. a reserve or urban open space)?

Note: You can find public land information as an overlay on the Territory Plan map in [ACTmapi](#).

☐ No

Native vegetation and threatened habitat

Does the site contain any native vegetation?

Note: Native vegetation includes trees, understorey plants, ground story consisting of any kind of grass or herbaceous vegetation and plants occurring in a wetland or stream (as defined in the Nature Conservation Act 2014)

☐ Yes

Does the proposal include the removal of any native vegetation in a native vegetation area?

Note: A native vegetation area is generally an area with significant vegetation coverage (whether its exotic or native) or canopy coverage. These will generally not include residential sites. Please refer to the Nature Conservation Act 2014 for the full definition.

☐ Yes

How much native vegetation is proposed to be removed?

Note: If proposing more than 0.5ha and not in a future urban area or more than 5ha in a future urban area and environmental significance opinion (ESO) or environmental impact statement (EIS) may be required

0.0074962

Will the proposal impact the habitat of a threatened species, ecological community or other protected matter?

Note: Threatened species, ecological communities and protected matters include species and ecological communities protected under the ACT Nature Conservation Act 2014, or any other matter under the Commonwealth Environment Protection and Biodiversity Conservation Act 1999.

☐ No

Heritage

Does the proposal relate to a place or object registered under the Heritage Act 2004?

Note: Please refer to the ACT heritage register at

<https://www.environment.act.gov.au/heritage/heritage-register> for more details.

☐ No

Contamination

Is the site on the ACT Register of Contaminated Sites?

Note: Please refer to the online Register of Contaminated Sites at

<https://services.accesscanberra.act.gov.au/s/public-registers/generic-register?registerid=register-of-contaminated-sites> for more details.

☐ No

Hazardous Material

Does the proposal involve the storage of the placard quantity of a Schedule 11 hazardous chemical that is not mentioned in the **Planning and Development (Placard Quantity Premises) List 2018 (NI-2018-532 – repealed)**?

Note: Schedule 11 hazardous chemicals are outlined in the Work Health and Safety Regulation 2011. They include flammable gases, liquids or solids (e.g. petrol or diesel), and other toxic or unstable substances. Developments that store over the placard quantity will generally be industrial or very specific in nature, such as petrol stations.

☐ No

Greenhouse Gas Emissions

Will the development, when operational, produce more than 250 tonnes of carbon dioxide per year?

☐ No

Environmental Impact Statement and Environmental Significance Opinion

Is an environmental impact statement (EIS) required for the development proposed?

☐ No

Is this an application for which an environmental significance opinion (ESO) has been given?

☐ No

Significant Application

Is this a significant development application under section 94 of the Planning Act 2023?

☐ Yes

Note: A development is a significant development if it requires any of the following:

A subdivision design application (Note: this does not include a development proposal changing a block boundary or subdividing land under the Unit Titles Act 2001)

*Consultation with the National Capital Design Review Panel (NCDRP)
An environmental impact statement (EIS).*

Territory Priority Project

Is the project for a territory priority project?

Note: A territory priority project is one that is jointly declared by the Chief Minister and Minister prior to the lodgement of a DA.

☐ No

Bushfire Risk Management

Is the site located within a bushfire prone area?

Note: Bushfire prone areas are shown on the Bushfire map in [ACTmapi](#).

☐ No

Is the block identified in the relevant sections in the Territory Plan (see district specifications) as having a Bushfire Attack Level?

☐ No

Parking

Does the development propose changes to existing onsite parking arrangements?

Are electric vehicle charging points proposed as part of the development?

☐ Yes

Please outline how many charging points are proposed?

Driveways

Does the development proposal include the construction or modification of driveway/s?

☐ Yes

Please select all of the following that apply:

☐ Construction of new driveways

Waste Management

Are post-occupancy waste management facilities, including waste storage enclosures, proposed as part of the application?

☐ Yes

Erosion and sediment controls

Is the site greater than 0.3 hectares?

☐ Yes

Note: For development sites greater than 0.3 hectare, an Erosion and Sediment Control Plan must be prepared in accordance with the ACT EPA Environment Protection Guidelines for Construction and Land Development in the ACT.

Note: For works such as class 10 structures, additions and alterations, and backyard swimming pools - a note on the plan that "the development will comply with the ACT Environment Protection Authority, Environment Protection Guidelines for Construction and Land Development in the ACT" is required. In circumstances where there is a reasonable risk that soil from the required earth works in the front of the block will impact on the stormwater system because the block slopes

towards the street a separate Erosion & Sediment Control Plan will be required.

Servicing and Utilities

Are utility connections and/or services proposed to be installed as part of this application?

☐ Yes

Please outline all that apply:

- ☐ Water
- ☐ Electricity
- ☐ Stormwater
- ☐ Sewerage

Are utility connections and/or services proposed to be relocated as part of this application?

☐ No

Note: In accordance with the Climate Change and Greenhouse Gas Reduction Regulation 2010 (the CCGGR Regulation), a new connection to the gas network will not be available unless an exemption from the CCGGR Regulation is granted. An exemption must be granted prior to seeking Building Approval.

For more information about the Regulation and exemptions from the CCGGR Regulation, please visit the Everyday Climate Choices website: <https://www.climatechoices.act.gov.au/policy-programs/preventing-new-gas-network-connections>.

Are easements proposed to be established or altered?

Note: Easements on leased land can be viewed on the basic map in [ACTmapi](#).

Note: If yes, a lease variation may be required.

☐ Yes

Entity consultation

Has an entity provided written agreement to the proposed development?

Note: If yes, written agreement from entities is required to be provided with the application.

☐ No

Development Undertaken Without Approval

Is this application for development undertaken without approval (i.e. retrospective approval for existing works)?

Note: If yes, an unapproved existing development plan prepared or signed by a registered surveyor showing the location and dimensions of the unapproved development, including height, width, and length dimensions and setbacks to block boundaries is required to be provided with the

application.

☐ No

Survey Requirements

Has the required survey information been provided?

Note: A guideline may require certain survey information to be submitted in certain circumstances.

☐ Yes

Loose fill asbestos

Is this a surrendered residential block?

Note: These are Mr Fluffy loose-fill asbestos affected residential premises, as outlined on the register at <https://www.loosefillasbestos.act.gov.au/affected-properties/register>.

☐ No

Exclusion from Public Inspection

Are you requesting an exclusion from public inspection for any or part of the application?

Any information provided as part of the application (including lessee names and contact details in this application form and in the submitted plans), will be publicly notified. In accordance with publication requirements under the Planning Act 2023, these details may be available for up to 5 years after a decision has been made.

☐ No

Conflicts of Interest

Does the applicant or lessee have any association with a delegate of the territory planning authority or an entity likely to be consulted during the assessment process?

☐ No
